Office of the Chairman,

FROM

R. RALACHANDRA RAO BHOMBORE, Esq, B.A.,
THE CHAIRMAN,

City Improvement Trust Board,

Mysore

To

C. Narayanaswamy Naidu, Esq, B.A., B.L.,
Legal Remembrancer & Secretary to the Government of
His Highness the Maharaja of Mysore, Law Department,
Bangalore

Sir,

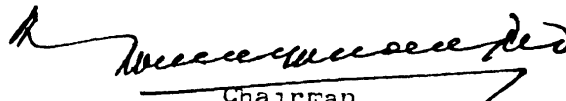

I have the honour to state that an area of land measuring 10579 square yards had been granted to the Palace by the Trust Board in the year 1929 for the purpose of constructing an Ursu Girls' Boarding School. Out of the above area an extent of 5621 sq yds, had been granted free and the rest had been sold for a sum of Rs 6,250/- as it had been previously allotted to Mr M N Balaraja Urs who had to be compensated for the same. The Ursu - Girls' Boarding School was however not constructed and the Huzur Secretary to His Highness the Maharaja intimated in his letter No 707, dated 27th May 1943 that the idea of constructing the school had been given up and that arrangements had been made to auction the entire area and that the realisation may be shared proportionately by the Palace and the Trust Board. This proposal was agreed to by the Board and the lay-out in the area was also approved leaving an area of 1418 sq yds, for a play ground. The sites formed were sold in public auction by the Palace Engineer and a net sum of Rs 53,660/- was realised. After deducting an area of 1418 sq yds, for the play-ground, the extent of lands belonging to the Palace and the Trust Board were very nearly equal and the Palace therefore sent a sum of Rs 26,830/- to the Trust Board being half the net amount realised by sale.

2 While acknowledging the amount received from the Palace, the Trust Board at their Meeting held on 24th November 1943 resolved that this amount may be utilised for the construction of Poor Model Houses. There are already two Funds in the Trust Board viz, The Narasimharaja Building and the Palace Building Fund out of which Model Houses are being built and sold to the deserving officials of the Palace, the Municipality, the Trust Board and other Government Departments, but there is no separate Model House Fund in the Trust Board. A revolving Fund called 'The Municipal

Model House Fund' has been constituted in accordance with Government Order No L 1442-5/MI 147-41-8 dated 18/11/1942 and Model Houses are being built out of this fund by the Municipality and sold in public auction and the realisations are credited to the Fund so that further set of Model Houses may be built. It was considered unnecessary to have a similar Fund in the Trust Loan as the one already existing in the Municipality would meet the requirements. The Trust Board therefore resolved at the Meeting held on 31st May 1944 that the above sum of Rs 26,830/- received from the Palace may be transferred to the Municipal Model House Fund where it would be utilised for construction of more model houses to meet the housing problem in the City. A copy of the Resolution is herewith enclosed.

3 I request that sanction of Government may kindly be obtained to the above proposal of the Board so that the amount may be transferred to the Municipal Model House Fund.

I have the honour to be,
Sir,
Your most obedient servant,

Chairman
